

CLAYTON RESERVE DOG PARK

FENCED OFF-LEASH DOG AREA

- 1 Double-gated entries**
1.2m high black mesh fencing to prevent dogs jumping over or escapes onto the adjoining busy streets.
- 2 Shelter**
5x4m shelter to provide additional shading within the reserve and a focal point for gathering.
- 3 Dog run area**
Large open space for dog run-about play. This area is good for playing tags amongst dogs or ball play with owners.
- 4 Clamber mounds & rock scramble**
Opportunities for dogs to jump up onto rock scramble and climb the highest point of the clamber mound to view the reserve. The rocks provide sensory and agility element to this space.
- 5 Dog Dig Sandpit**
Opportunities for dogs to enjoy digging in the sandpit and uncover cool earth to lie in. Designated digging area for the dogs helps reduce unwanted holes and ponding within the reserve.
- 6 Tunnels**
Tunnels are fun spaces that help dogs build their confidence travelling through different medium in an informal and play setting. The tunnels also double up as platforms for both humans to lean on or dogs to jump over.
- 7 Landscape 'breaker' elements**
Boulders and logs located throughout to provide sensory elements for dogs and limit running through the centre of the park.
- 8 Agility Equipment**
Equipment to facilitate dog owners with opportunities for education, agility and obedience training of dogs in an informal setting.
- 9 Dog-friendly planting**
Planting to provide sensory interest for dogs and distraction

LEGEND

Existing Tree	Grass	Shelter	Bike rack	Rock	Agility - Bridge
Proposed Tree	Granite Gravel	Seating	Mounds	Log	Agility - Weaver Pole
Garden Beds	Concrete/asphalt path	Picnic table	Sand Pit	Lights	Agility - Tunnel
